A MESSAGE FROM OUR PRESIDENT

This is my sixteenth and last message for Ashland College Pine Whispers.

Sixteen years ago, I took over the management of the Institution when Pine Whispers was in its youth. Since that far-off date, many changes have come into the world no less than in Ashland College. Every department of the College has expanded,—finances, faculty, curricula, physical plant, and general organization.

I could count books added to the library by the thousands, buildings erected, grounds beautified, faculty enlarged, recognition gained, enrollment increased from less than 75 as a total to many hundreds, and many other achievements, not the least of which is the matter of articles published by our faculty members in many learned publications.

However, not these, in my judgment, constitute the real advances within past sixteen years. I count the greatest achievement, the making and keeping of Ashland College a place of real intellectual enlightenment and wholesome Christianity. A church-connected college should be just that,—a place of genuine enlightenment and sound Christianity.

There doubtless are dark places in the educational system of the country, where these two factors do not prosper, but not so at Ashland. And it is my fondest hope and most ardent wish that Ashland College may, above all else, continue just so, a place where the intellectual light is clear, unafraid, unquenched, and safely guarded, while at the same time it may continue as a place where the ideals of real Christianity are exalted. "Ye shall know the truth and the truth shall make you free". Any other objectives will not only defeat the historic purpose of Ashland College, but in the end defeat the purpose and goal of real education.

EDWIN E. JACOBS

Dr. J. Allen Miller

To some it is permitted to achieve position, character, ideals through which they stir other men to deeds of high generosity and daring rectitude.

To some it is permitted to create leaders who pass the cup of strength and high purpose to others thru whom its essence is diffused from generation to generation.

To some it is permitted to radiate a kindness, a friendliness, a tolerance that endears them to many.

Such a one was Dr. Miller. For nearly forty years, he went among us, kindly, stimulating, helpful; giving counsel, offering encouragement, admonishing us to win the larger prizes and to attain the greater rewards. His life has been a benediction and of its influence there shall be no end.

—Dr. L. L. Garber.

PINE

JUNIORS

As one looks back through the old Pine Whispers to the write-ups of the Junior Classes, he invariably finds the phrase: "This is the best and most successful class ever to honor the Ashland College Campus," or words to that effect. One can tell by the spirit of the write-ups that it is the work of a Junior. So, it has come to be more or less of a tradition that the next year's graduating class is always the best in the school, and, of course, the class of '36 is no exception.

Top row:

And without a doubt they are the most studious.

Now, to go back into a bit of the history of the present Junior class.

• WHISPERS

PINE

Perhaps the most interesting event on record against this group happened in the Freshman year. At that time it was the custom that the newcomers at Ashland College gather wood for the annual bonfire and rally before the Wooster game. Wood was acquired, but it seems there was some controversy as to the method used in obtaining it. Result—a suit. That year, too, the class had a picnic in the rain at Long Lake.

Last year the main events were the paddling of unruly Freshmen, and the Sophomore-Senior get-together at Ruggles Beach. 'Nuff sed.

KENNETH HULIT
Ashland, Ohio

Now comes the Junior year. These, the rowdy Freshmen of two years ago, have developed into the kind of students that colleges are proud of; athletes, scholars, real gentlemen and ladies. (Did I hear a "heckle"?)

The President of this unusual organization is John Ruskin Garber of Ashland. During his regime the Juniors have given the Freshmen and Seniors each a party, contributed two of the six campus beauties, elected a May Queen for the May Day festivities, edited the Pine Whispers, and won a five dollar prize for selling tickets.

May next year's class be as successful.

1937

Having honorably evacuated the east side of the chapel to take up residence across the aisle, the Class of '37 gained a feeling of being important cogs in the college wheel. They are now upper-classmen and must needs impress upon the Freshmen their rights to respect and deference.

The officers elected at the first of the year to guide this precocious group were Edward Hoekstra, President; Arthur Malles, Vice-President; Dorothy Carpenter, Secretary; and Ebert Smith, Treasurer.

Members of the Sophomore Class found their way into practically all the campus activities, even going so far as to hold offices in some of them. A number of good contributions were made by this group to the athletic teams.

Continuing an old tradition of our Alma Mater, the Sophs entertained their sister class, the Seniors, with what appeared to be a very enjoyable St. Patrick's Day party. This was the outstanding event of the year's class activities.

Front row: Taylor, Mosey, Patterson, Planck, Morrill, Schwartz, Schuck.

Second row: Mann, Barcus, Miller, Shank, Hootman, Hatch, Beagle, Ruff, Kauffman.

Third row: Helbert, Shaffer, Wilson, Merwin, Harris, Edwards, Carpenter, Massie, Stauffer, Weatherbee, Brewer, Berkshire.

Top row: Newell, Moist, Beale, Smith, Burglin, Zehner, Horn, James, Erb, Malles, Shaller, Hull.

FRESHMEN

1938

Ninety and nine decidedly green Freshmen came to Ashland College this year. The miracle of the Freshman evolving into a competent Sophomore has once again been wrought in our midst. The whole student body should give a rising vote of congratulations to the faculty for their power of instilling enough knowledge in one short year to graduate a group like this to the rank of upper classmen.

In September the Freshmen elected a committee of five from their ranks to take care of any business that might come up before January, but none came. Encouraged, they elected officers: Dorrell Tucker, President; Janet Brubaker, Vice-President; Katherine Murphy, Secretary-Treasurer.

Credit should be given to this class for its victory over the Sophomores on Homecoming Day.

Mrs. Andrews, of the English department, was chosen as faculty adviser.

Front row: Ray, Baughman, Richmond, Whitted, Sprague, Uphouse, McCormic, Johnson, Stuff, Freese, Mateer, Worst, Firestone, Ayers, Zody, Jenkins.

Second row: Tinsman, Lutz, Cornwell, Brandt, Brubaker, Rogers, Ropp, Kelser, Kaser, Luich, Steed, Webb, Waite, Shaffer, Bletz, Spears, Fredricks, Hatch, Miller.

Fourth row: Hunter, McDowell, Berkshire, Crumrine, Norris, Baker, Keinath, Bailey, Fairbanks, Crumrine, Long, Kiplinger, Swartz, Brown, Zercher, Murphy.

Top row: Firestone, Shenberger, Davis, Wilkins, Reichert, Franks, Eyerly, Legg, Falcone, Strine, Grisso, Senseman, Tucker, Hoyt, Robinson, Plematias, Jacobs.

• WHISPERS

THE GRADUATE SCHOOL OF THEOLOGY

One of the most important departments of Ashland College is the Seminary, having been a part of the school from the time it was founded in 1878. Back in the early years, theology was on the regular college curriculum, and was offered as a course open to any wishing to take it. However, in 1931, the Board of Trustees separated the seminary from the arts department of the college to enable those desiring to enter the Ministry to put more time into this special field, and to receive more adequate training.

This year, the student body of the Graduate School of Theology is small, but a great number of the students in the arts department of our school are taking pre-seminary work, and in a year or so will enter this division of the institution.

Seated: M. Ashman, Dr. Monroe, Dr. McClain (Dean of the Seminary), Prof. Stuckey, Martin.
 Middle row: Niswonger, Uphouse, Gehman, Schneider, Hoyt, Hammers.
 Top row: R. Ashman, Morrill, Grubb, White, Faylor, Stark, Dowdy, Tilly.

PINE

RAY NOVOTNY, M.A.
Director of Physical Education

After several years of professional football and coaching in New York, Ray Novotny returned for a year to the scenes of his college days in the role of Director of Physical Education. Next season in spite of a unanimous vote of the student body for him to stay Coach Novotny will leave us to show the boys at Kent College the principles of blocking, punting and running interference—Good luck, Ray.

ASHLAND •
COLLEGE

ATHLETICS

• WHISPERS

**HOEKSTRA:**

"Big Ed" from Galion showed his worth when he went after those passes. He'll be with us next year to continue where he left off.

WHITE:

In need of a punter, Coach found that Bob could really kick the ball. He usually kicked for the corner and got the team out of plenty of trouble.

BANIA:

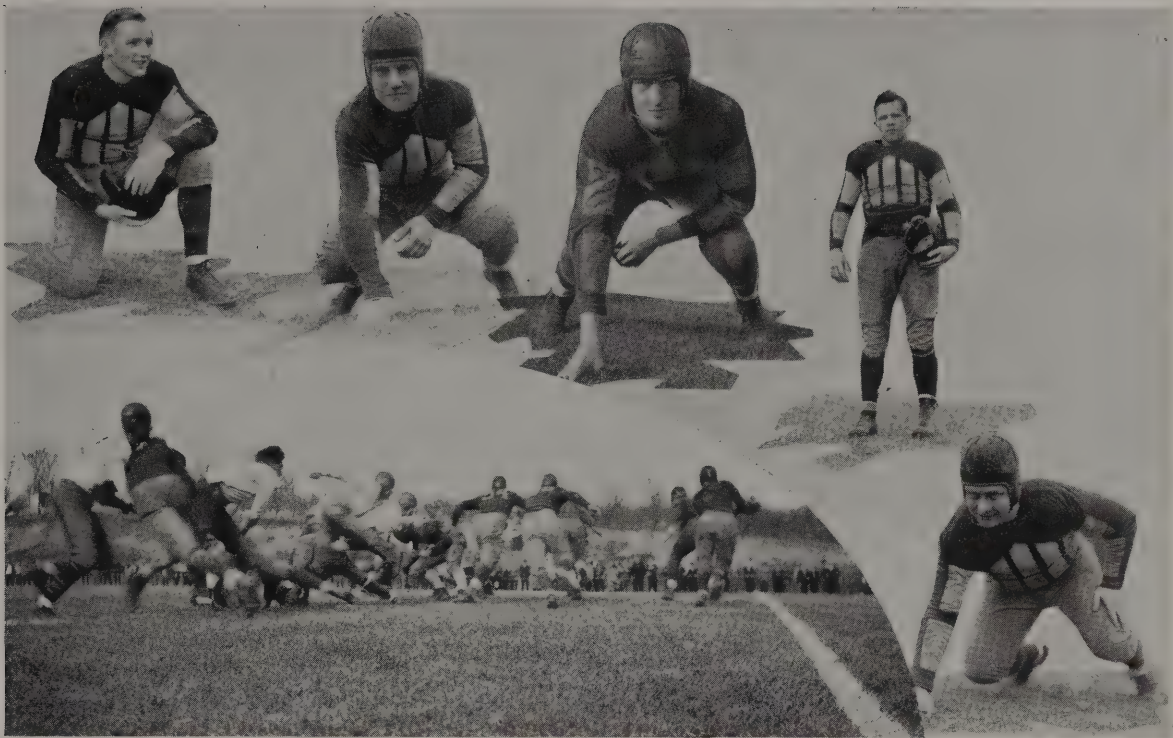

Frank, a triple threat man, will be missed next year. His accuracy in passing was the secret of many of Ashland's gains.

CAROTHERS:

Ab went out and scored all the points himself to beat Kenyon. We wish him success.

HULIT:

Captain-elect of next year's team, Kenny demonstrated time and again the correct method of "spilling interference".

**SPAYDE:**

"Asa" set a good example of combined speed and intestinal fortitude. Despite his lack of weight he was good for many a yard.

ROCHE:

This was Tom's first year on the varsity, but he played like a veteran. No one had to back him up, and only a foot in his face could stop him.

MORRISON:

Not being very heavy, Charlie had to make up for this by his speed and shifty running—which he did.

NEWELL:

When Ashland needed a yard or two the ball was given to "Doc" who hit the line as though he meant it. Only a Soph, we're expecting great things from him.

OPEL:

After three years pulling out as interference we wonder what Joe will do next year to keep down the avoirdupois. He's not tall, but plenty tough.

• WHISPERS

PINE

CLELAN:

With an All-Ohio rating as basketball center, "Lank" proved his mettle, and now has an All-Ohio rating as football center. There will come a time when the old grads will say "Do you remember when 'Lank'—"

SPERRY:

After a year's absence because of an elbow injury, Mel soon hit his old stride again. They say he carries his blocking ability into the ring now.

ROBERTS:

"Red" really showed the boys how to carry the ball. After three years the locker room will look empty without the red-head.

KEMPF:

"The Blond Tiger" made a very interesting afternoon for anyone who was unfortunate enough to play opposite him. Can any good come from Coshocton?

PIGMAN:

"Pigger" was one of those fellows who doesn't slow up when he hits a man. His fine blocking and defensive playing made him invaluable.

**PORTE:**

When an end got tired, John was always there to take his place. There are some rumors that he is a "back" which time alone can confirm.

MOIST:

After the manager found some shoes for him, Don really filled them. Substituting for "Lanky" wasn't so easy, but Moist was there.

SQUIRES:

A promising Sophomore who almost made his letter. With an added year's experience, John will be plenty tough.

AEBY:

According to several reports Duquesne did not make a yard through John. Who said he went to bed right after the game?

SCHNEIDER:

When material was needed "Bernie" answered the call. Now he is wearing a justly earned "A" sweater. "All out for the fire drill."

JAMES:

After a careful inspection of the topography of the field, "Big Prairie" showed the boys how to tackle. Another year behind him will make it interesting.

Seated: Carothers, Clelan, Shaffer, Novotny (Coach), Hulit, Hoekstra.
 Standing: Porte (Manager), James, Drushal, Kendig, Zehner (Assistant Manager).

BASKETBALL

With only three lettermen to build on, Coach Novotny formed a well-working combination, only to have it destroyed at mid-year. However, he quickly set about his task once again, and ended the season with ten victories and only five defeats. Not a bad record considering that nearly all the Conference leaders were played.

Captain Shaffer was not with the team until the second semester, but Clelan, Carothers, and Bania, of other years were there. With these for a foundation, Novotny added Morrison, Hoekstra, and Bear, until mid-year when Hulit took Morrison's place, and Shaffer Bear's. In addition to these, Kendig and Inslee won letters with Porte receiving the manager's award.

Next year's Captain has not yet been elected, but Hoekstra, Hulit, and Kendig will be on hand with a good supply of Freshman material coming up. Here's hoping they have a good season in 1936.

ASHLAND • COLLEGE

BERLIN SHAFFER:

Shaffer joined the squad at mid-year, and he scored plenty of points. Shaf was a good leader and proved a very capable captain.

RALPH CLELAN:

Clelan, playing his last year for Ashland College, continued to pile up the points. It will be a long time before the fans forget some of his over-hand shots.

ALBERT CAROTHERS:

Carothers was one of the three letter-men who reported to Coach Novotny at the beginning of the year. His three years of playing have established a fine record.

EDWARD HOEKSTRA:

Hoekstra couldn't hit sucker shots at first, but with a change of girl friends his average went up. We're expecting some good results from him in the future.

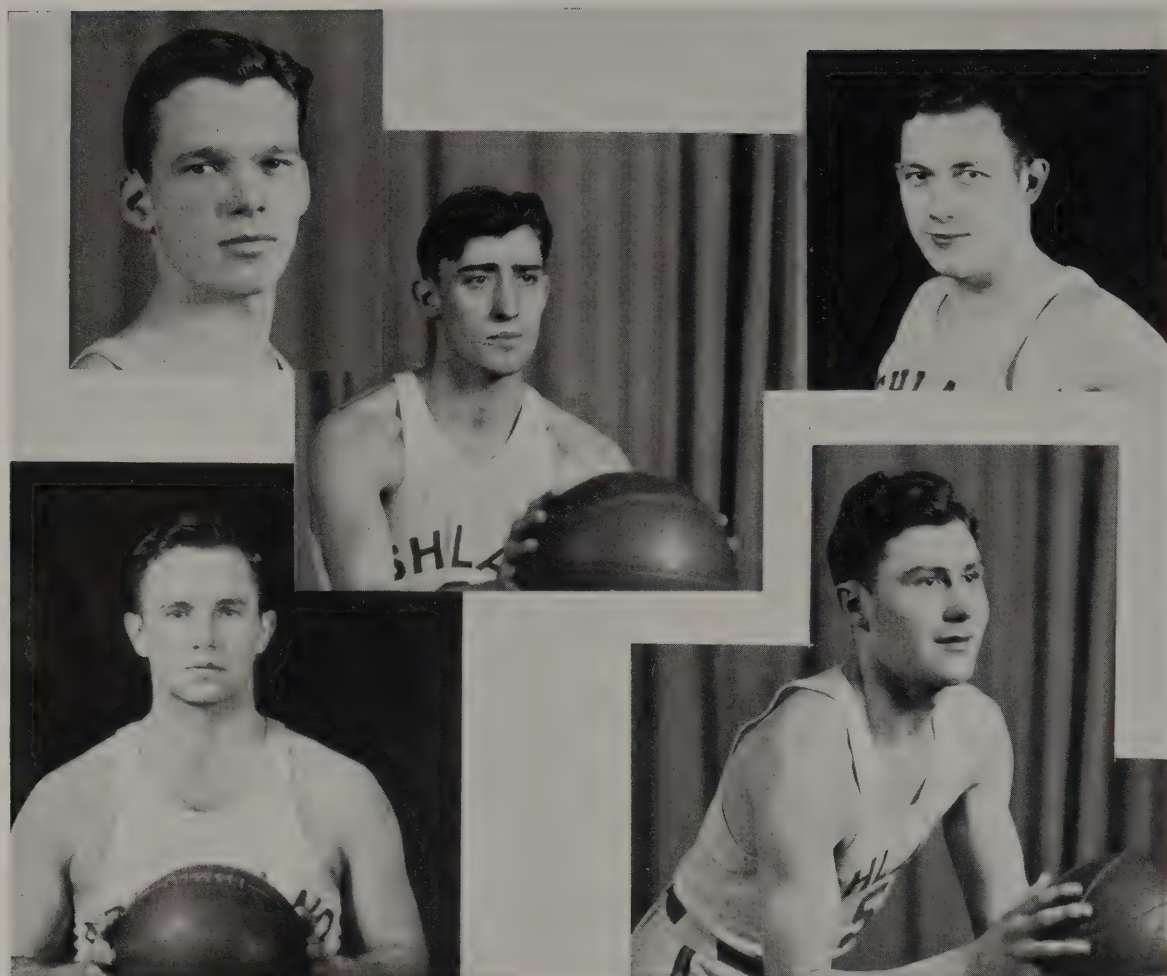

KARL KENDIG:

"Philibert" was shouted when he walked on the floor, but he proved a "giant-killer". Making his letter as a Sophomore proves that it is not all brawn that counts.

KENNETH HULIT:

Hulit went over his three point average just three times, although his presence was often a help (aesthetically). Next year he promises to raise the average by one.

• WHISPERS

**ROBERT BEAR:**

Bear was another member of the squad lost at mid-year. He proved his worth in the early games, however, next year he will reinforce the strength of the team.

CHARLES MORRISON:

Chuck started the season as a guard, and was just getting into form when he left us at mid-year. We were sorry to lose his services, but wedding bells do ring, you know.

GARBER DRUSHAL:

Drushal joined the squad after mid-year, showing the good old loyalty when needed. He was a big help in practices and should be given a vote of thanks for his aid.

FOSTER JAMES:

James, a Sophomore, proved to be a hard, aggressive floor man. With our depleted ranks next year we are expecting him to take his place in the starting line-up.

FRANK BANIA:

Bania from the first of the year was a scoring ace, but at mid-year left to work for Fisher Foods. We wish him the best of luck.

BASEBALL

Without a doubt the great revival of interest in major league baseball will create a proportionate increase of interest in collegiate games, we hope. If and when it does, ipso facto, hocus pocus, and per se, the onlookers will be surprised into a very rowdy burst of cheering as pitcher Paul Latimer makes the little horse-hide sphere play leap-frog over the bat and into catcher Roberts' glove. Then, too, when the Ashland team is up to bat and Keener hits one of his home runs, many a fan will say, "Another Gehrig in the making." So it will be.

The probable line-ups of this year's team will be Latimer or Yarnell on the mound, Roberts catching, Martin or Hoekstra at first, Keener at short Porte on second, James at third, and White, Spayde, Roche, and Troxel in the outfield.

Top row: Spayde, Latimer, James, Schaller.
Lower row: Yarnell, Keener, Roberts, Roche, Martin.

A C T I V I T I E S

THE GOOCH CLUB

A new organization on the campus this year is the Gooch Club, composed of twenty-one aspiring young chemists. Papers are read at the bi-monthly meetings which tend to bring out the purpose of the society, namely: To develop a brotherly feeling among the members and to promote original investigation in all branches of pure and applied chemistry. At the important meeting of the year, the organization was entertained by a lecture by Dr. Pierce, who spoke on "Boulder Dam", explaining at the end of his talk the chemistry involved in the setting of concrete.

The outstanding activities of the year were the group trips to surrounding industrial plants.

Much credit goes to the adviser, Dr. Scholl, for the success of this new group.

Seated: Stone, Garber, Latimer, Kauffman, Lenz.

Standing: Prof. Puterbaugh, Bonfiglio, Firestone, Tucker, Eschelman, Martin, Dr. Scholl, Zehner.

THE PHYSICS CLUB

"To go farther into the field of Physics for the purpose of stimulating research among students" is the aim of the ten members of the Physics Club. These students met every two weeks to read papers and hold discussions on various problems of modern research. At several meetings practical demonstrations were given on such subjects as the short wave radio and the talking moving pictures.

The group was led by President John Ruskin Garber, under the able advice of Dr. R. R. Haun. Chester Ramsey was elected Secretary of the organization.

As Horace Greeley said, "What this country needs is bigger and better physicists."

Troxel, Dr. Haun, Hulit, Keener, Lenz, Ramsey, Dr. Scholl, Zehner, Garber.

Back in 1918, about the time of the armistice, a group of eight young fellows organized the Scribes Literary Society.

This select organization upholds the highest ideals in regards to scholarship, leadership, tolerance, and literary ability. New members are chosen only by a unanimous approval of the group.

Under the leadership of President J. Garber Drushel, the society meets once a month (wing collars and all) to read papers on subjects of common interest, after which follows a critical survey of each paper.

Other officers of this organization are: Vice-President Kenneth Hulit; Secretary-Treasurer Kenneth Ashman; and Sergeant at Arms Paul Latimer.

Front row: Whitted, Keener, Latimer, Garber.
Second row: Ashman, Drushal, Hulit, Erb, Newell.

GAMMA ALPHA KAPPA

Sponsored by the local chapter of the American Association of University Professors, the Gamma Alpha Kappa was founded two years ago for the purpose of honoring those students with extraordinary scholastic ability. All are eligible who have a 2.6 quality point average for their first seven semesters of College work.

This year two seniors possessed quality points enough to give them membership to this honorary society: Miss Charlene Outward, of Ashland, Ohio, and Mr. Kenneth Ashman, of Johnstown, Pennsylvania. Miss Outward has won scholarships before, having received the John C. Myers award in 1934. She is a member of the Y.W.C.A.

During his four years at Ashland College, Kenneth Ashman has been very active in various organizations on the campus, having been president of the Y.M.C.A., a member of the Glee Club, the Gospel Team, the Band, the Student Council, and holding the office of secretary of the Scribes Honorary Literary Society.

CHARLENE OUTWARD
Ashland, Ohio

KENNETH ASHMAN
Johnstown, Pa.

• WHISPERS

GIRLS' GLEE CLUB

This year, instead of having a choral club, in which the Men's and Women's Glee Clubs are combined, the directoress, Miss Dorcas Bame, very successfully separated the two. The girl's organization is composed of twenty-eight members whose chief aim in regularly attending every weekly meeting is to "Develop the voice, poise, an appreciation for good music, and to acquire the knack of putting on an entertaining program."

The officers elected by this organization are: President, Marjorie Dintaman; Vice-President, Kathryn Wilson; and Secretary-Treasurer, Odella Firestone.

One of the honors of belonging to this club is that after three years of active service a pin is awarded.

The Girl's Glee Club gave concerts this year at Smithville, New Pittsburg, Nankin, Homerville, and Savannah.

Front row: Seaman, Dintaman, Miss Bame (Director), Bechtel, Brubaker.
 Second row: Harris, Firestone, Weatherbee, Benshoff, Rogers, Cornwell, Kelser, Wilson, Freese.
 Third row: Trout, Zody, Schwartz, Merwin, Cramer, Stauffer, Firestone, Worst.
 Top row: Rhea, Greene, Teeter, Miller, Eikenberry.

MEN'S GLEE CLUB

Eighteen young men with but a single thought: "To develop the musical appreciation and talents of those interested in singing."

Under the direction of Miss Dorcas Bame, who is at the head of the musical department of the College, and under the leadership of President Elton Whitted, meetings and rehearsals were held twice a week with the grand climax being, to put it mildly, "concert tours" to Smithville, Perrysville, Butler, and Newville. Then too, at Lantern-Night they demonstrated to the student body and friends of the College that their many hours of practicing were not all in vain.

Other officers of the organization include Vice-President, John Ruskin Garber; and Secretary-Treasurer, Wendell Troxel.

Front row: Troxel, Hatch (Pianist), Whitted, Bame (Director), Spayde.
 Middle row: C. Berkshire, Hull, Ramsey, Ashman, Grisso, Garber, Bowman, Webb.
 Back row: E. Berkshire, Jacobs, Martin, Shaffer, Colburn, Baily, Steed.

• WHISPERS

THE MEN'S GOSPEL TEAM

Another of the Christian organizations on the campus is the Men's Gospel Team, which has been very active in the religious life of the school, sending gospel teams out over the state, which not only brings the Gospel to the people, but also gives good experience to many of those intending to take up the ministry for their life work.

It is the purpose of this group to cultivate the devotional life of its members and to promote all phases of evangelism. Occasionally, at the weekly meetings, members of the Seminary are invited over to give the devotional studies.

The officers are: John Squires, President; Arthur Malles, Vice-President; John Erb, Secretary; and Hiram Davis, Treasurer. The faculty adviser is Prof. M. A. Stuckey, of the Seminary department.

Top row: Hulit, Newell, Squires, Berkshire, Drushal, Erb, Aeby, Grisso, Webb.
Bottom row: Snyder, Malles, Davis, Zimmerman, Fairbanks, Hostetler, Fulmer, Bowman.

THE GIRLS' GOSPEL TEAM

When this Christian organization was first organized about nine years ago, it had to overcome many prejudices before it ever received recognition, for, many felt that girls were not capable of speaking in churches. Judging from the success of the Girls' Gospel Team this year, it is very evident that the young women can give their testimonies and preach as well as can the men.

Every Monday evening, under the guiding hand of their President, Miriam Bird, they hold their devotional meetings, oftentimes having guest speakers, such as Dr. R. E. Neighbor, Rev. Les Polman, and Miss Elizabeth Tyson, a missionary on furlough from Africa.

Top row: Stuckman, Hatch, Cramer, Miller, Schwartz, Bird, Eppley, Wimmer, Benshoff, Smith, Tinsman, Kinsey.
 Middle row: Miller, Keener, Uphouse, Hartzler, Underwood, Zody, Carpenter, Eikenberry.
 Bottom row: T. Bechtel, A. Bechtel, Smith, Firestone, Patterson, Planck, Ayers, Firestone.

• WHISPERS

THE FOOTLIGHTER'S CLUB

The Footlighter's Club went far this year in reaching its goal, which is to develop ability in play production and dramatics, and to promote good fellowship by creating a social interest in school dramatics.

Reorganized in 1931 under the leadership of Miss Thelma Slack, this group has made definite progress. Just to cite some of this year's activities sponsored by our dramatics organization, we have: the Homecoming play "Happiness", the leading characters of which were: Mildred Trout, William Spayde, Miriam Bird, Marjorie Dintaman, Lewis Helbert, Ruth Hootman, and John Erb; next the club gave a Christmas play; and this spring remodeled the Little Theater. The final and greatest event of all is of course the May Day festivities, which climaxes a very successful dramatic year.

Standing: Bonfiglio, Ferguson, Hoover, Richmond, Wimmer, Topper, Miss Slack (Adviser), Davis, Dintaman, Erb, Carpenter, Ropp, Stauffer.
Seated: Norton, Teeter, Moore, Eikenberry, Crowell, Roche, Firestone, Bird, Rhea, Firestone, Trout, Brubaker, Spayde.

POTENTIAL PEDAGOGUES

By next September these graduates will have changed from mere students to educators, practicing on grade school children all the psychology they have learned in college, instilling into their pliant minds everything from art to geography, and setting examples and ideals for young lives who want to "grow up to be like teacher."

This year Dorothy Stauffer, of Wooster, Ohio, occupied the chair of President of the Potential Pedagogues. This organization is comparatively young, being formed in 1932. Since that time it has grown and has taken a very important part in campus activities.

The regular weekly meetings are planned by the students themselves, and are prepared to interest and benefit those studying to teach in elementary departments, and to keep in mind the purpose of the organization which is "to provide opportunity for an all-around development of the members, as: social and intellectual relationships."

A number of distinguished speakers and guests contributed to the weekly program of this group by their entertaining and enlightening lectures, among whom were: Miss Wright, of the Country Day School in Mansfield, Miss Kieler, Dr. L. L. Garber, Dean E. G. Mason, Dr. R. R. Ullman, Miss Kerr, and Mr. E. L. Bowsher.

A great deal of credit and appreciation for the success of this organization goes to the Faculty advisers, Miss Amelia Kirkland, and Miss Doris Stout.

Front row: Wolfe, Crowell, Bechtel, Seaman, Priest, Miss Kirkland.
 Second row: Massie, Hoover, Tharp, Miss Stout, Patterson.
 Third row: Weatherbee, Harris, Ropp, Schuck, Beagle.
 Fourth row: Van Scoy, Mann, Lechrone, Small, DeWitt.
 Fifth row: Wilson, Brooks, Ruff, Topping, Greene, Stauffer.
 Top row: Merwin, Franks, Taylor, Barcus, Planck, Archibald.

PINE

Y. M. C. A.

The Y. M. C. A., one of the oldest organizations on the campus, dates back to 1903, about the same time the Y. W. was formed. "To develop the college man physically, spiritually, and intellectually" is the aim of this worthy group. Every Tuesday evening the twenty members gather in the Little Theatre where, after a devotional period, a lecture or talk is given by the various members. President Kenneth Ashman led the group to an outstanding record for this year; joining the Y. W. C. A. in giving a Christmas party at the Children's Home, the Y.M.-Y.W. Hike, and Lantern Night.

The society owes much of its life and achievement to its faculty adviser, Dr. Shively.

Seated: Bonfiglio, E. Berkshire, Keener, Garber, Troxel, Bowman, Webb, Eschelman.
Standing: Grisso, Shaffer, Ashman, Hostetler, Ramsey, Tucker, C. Berkshire, Smith, Whitted.

ASHLAND • COLLEGE

Upper picture:

Standing: Trout, Shank, Donley, Gebhart, Miller, Hootman, Eikenberry, Planck, Merwin.
 Back row: Eppley, Mahon, Brewer, Tinsman, Benshoff, Smith.
 Middle row: Weatherbee, Hoover, Kelser, Massie, Carpenter, Harris.
 Front row: Miller, Stuckman, Patterson, Murphy, Ropp, Lutz, Kinsey.

Lower picture:

Standing: Miller, Teeter, Moore, Bird, Mateer, Firestone, Cramer, Firestone, Rhea, Black, Brubaker, Schwartz.
 Back row: Hartzler, Sprague, Rogers, Wimmer, Mosey, Ayers, Worst.
 Middle row: Keener, Smith, Uphouse, Bechtel, Baughman, Zody.
 Front row: Wolfe, Lechrone, Beahle, Underwood, Baughman, Jenkins, Shaffer.

Y. W. C. A.

With their purpose "to interpret Christianity to girls and women in terms adequate to life today", the seventy-one members of the Young Women's Christian Association did much this year, to create a salubrious atmosphere on the campus, giving teas and parties, and contributing in general to a cheerful school spirit.

The outstanding activities of the year were: a tea for the Freshmen girls the first month of school, the traditional Big and Little Sister Party, a Christmas party with the Y. M. for the children of the Children's Home, a party for the Senior Girl Reserves of Ashland High School, and the joint Y. M.-Y. W. Lantern Night.

Much of the success of the organization is due to the efficiency shown by the President, Charlotte Teeter.

COLLEGIAN

Associate Editors:

Flory, Rhea, Erb, Hatch, Black, Whitted.

Business Manager:

Joseph Bonfiglio.

Editor-in-Chief:

J. Garber Drushal.

Reporters:

Jacobs, Zehner, Bird, Schwartz, Murphy, Malle s, Bowman, Dintaman, Gebhart, Bechtel, Wetherbee.

In spite of its being the thirteenth year of publication, the Ashland Collegian this spring completes one of the most successful years it has known. Perhaps this is due to the guiding hand of Editor-in-chief J. Garber Drushal, together with his efficient group of associate editors. Under this able and inspiring leadership the reporters usually managed to beat the "dead-line", even for the specials: the Homecoming, Ashcan Collision, and Freshman editions.

Not a little praise must go to the Business Manager, Joseph Bonfiglio, who could be seen every Monday and Wednesday, ad book in hand, inducing local merchants to "sign on the dotted line."

DORTHA SHAFFER

1935

Queen of the May

A charming brunette, tall and stately, was selected by the students of Ashland College to preside over this year's unique May Day festivities: Miss Dortha Shaffer, of Mansfield, Ohio.

During her three years here she has taken an active part in the student activities, having been a member of the Sociology Club, the French Club, and the Y.W.C.A.
